

Millipore®

Filtration, Separation
& Preparation

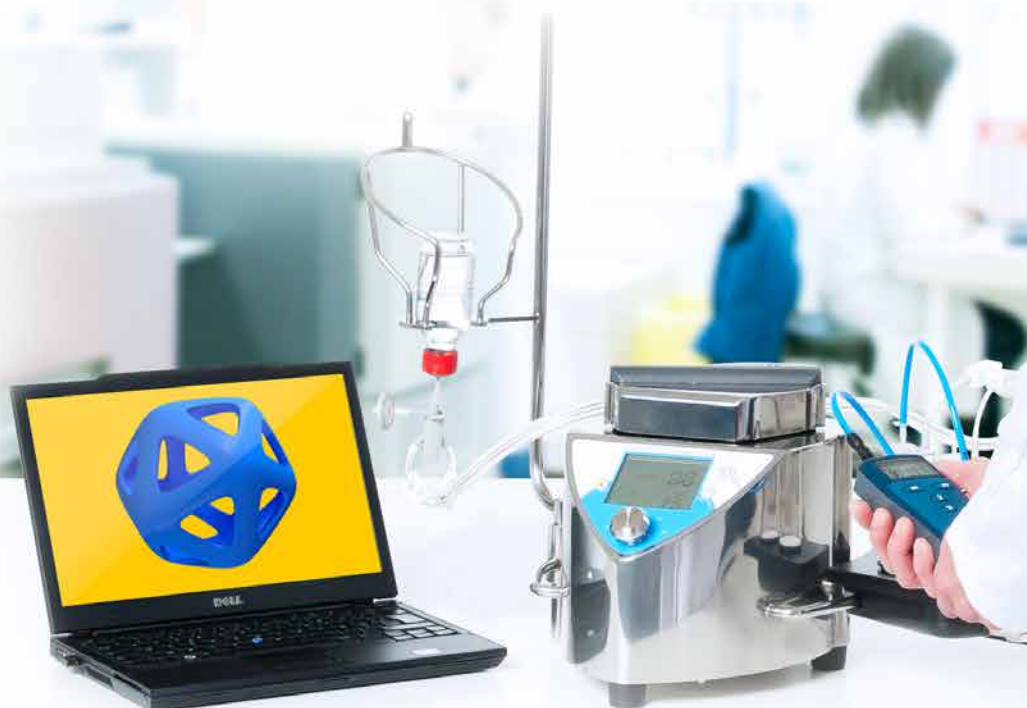

passion to drive YOUR performance

Assured performance with Millipore® Service Advanced™

*Annual preventive maintenance of your microbiology equipment
+ one floating troubleshooting/repair call*

- Certified Service Engineers
- Traceable documentation
- Keep your system's initial performance

MerckMillipore.com/MilliporeServices

The life science business of Merck
operates as MilliporeSigma in the
U.S. and Canada.

MERCK

Service Advanced™ is a preferred plan that balances your lab's needs:

CONTROL Your Budget and PREVENT Downtime

- **Two maintenance interventions** per year: one preventive maintenance + one floating troubleshooting/repair call

Get RAPID Solutions

- **Priority status** for any requests
- **Unlimited access** to our technical support hotline
 - Speak directly with our in-house, specialized service experts
 - Rapidly diagnose, investigate and solve issues; schedule interventions when needed

MINIMIZE Risk and EASE Compliance

- **Quality-certified and harmonized expertise**
 - Only factory-trained Service Engineers repair and maintain our microbiology equipment in compliance with our worldwide auditable service operating procedures
- **Service history traceability**
 - A performance report is recorded after each intervention
 - For traceability and to help prevent possible failures
